

Privacy Policy

Room at the Inn is committed to the privacy and protection of your personal information. No cookies are utilized on the www.RoomSTL.org website. We do not sell or share any personal information with any other organizations unless it is a necessary operation of the site, for instance, to process a credit card donation transaction. All credit card information is processed through eTapestry.com, which employs a 128 Bit Server Digital Certificate and the Secure Sockets Layer Protocol to encrypt all data traffic. This is the same technology used by online banking for securing their online transactions.
