

## *Sheltering Prayer*

O Most High God,  
direct us to look often  
at the love of the Heart  
of your beloved Son,  
which He had for the  
children, the sick, the  
poor, and the outcast.

Guide us to think  
how His compassionate  
Heart always found ways and means to  
help the needy and to do likewise in  
Jesus' name. (Adapted from WORDS of Bishop Ketteler)

We ask that generous and  
compassionate members of society will  
work through their places of worship to  
open their hearts and their doors to offer  
areas of shelter through the Room at the  
Inn program, becoming the ways and  
means of the Heart of Jesus, your son.

Amen.
